Before we get started

We use [cookies](#) and data, including

- Deliver and maintain Google services
- Track outages and protect our services
- Measure audience engagement to enhance the quality of our services

If you choose to “Accept all,” we will use cookies and data to:

- Develop and improve our services
- Deliver and measure the effectiveness of our advertising
- Show personalized content and ads
- Show personalized ads

If you choose to “Reject all,” we will not use any data beyond what is necessary to operate our site.

Non-personalized content and ads may still be served to you based on your location (ad serving is based on location) and other things like video recommendations. We may also use your activity, like the videos you watch, to tailor the experience to you.

Select “More options” to see additional settings. You can also visit [Google Ads Settings](#).
