Disgusting. Pausing my volunteer tablet driver contributions and any future Linux-related work until The Linux Foundation grows a bit of ethics. If they don't change, I'll look elsewhere.

2d*

The Linux Foundation had \$300 million in revenue in 2025.

can't hire a designer.

absolutely pathetic.

[@davidrevoy](#) understandable sentiment, although this does feel a little bit as we would say like "throwing the baby out with the bath water".

But yes there have been some decisions lately that are - lets say disputed.
