Fait le job, pas cher et dépanne bien

En revanche et après retour d'expérience, je préfère un adaptateur avec possibilité de recharges USB C.

Très mauvaise qualité

Reviewed in France on 11 April 2026

Colour Name: white **Verified Purchase**

Qualité très médiocre. La partie femelle est trop grande du coup la prise mâle européenne ne reste pas en place lorsqu'on assemble les deux prise et la connexion électrique ne se fait pas.

Vraiment lamentable.
