

A Google company

Before you continue to YouTube

We use cookies and data, including IP addresses, to

- Deliver and maintain Google services
- Track outages and protect against spam, fraud, and abuse
- Measure audience engagement and site statistics to understand how our users use our services and to enhance the quality of those services

If you choose to "Accept all," we will also use cookies and data, including IP addresses, to

- Develop and improve new services
- Deliver and measure the effectiveness of ads
- Show personalized content, depending on your settings
- Show personalized ads, depending on your settings

If you choose to "Reject all," we will not use cookies or IP addresses for these activities.

Non-personalized content and ads are influenced by things like the content you've watched, your location (ad serving is based on general location). Personalized content and things like video recommendations, a customized YouTube homepage, and tailored activity, like the videos you watch and the things you search for on YouTube. We use your data to tailor the experience to be age-appropriate, if relevant.

Select "More options" to see additional information, including details about managing your settings. You can also visit g.co/privacytools at any time.
