Doki Doki Literature Club! Trailer

Watch on

Hi, Monika here!

Welcome to the Literature Club! It's always been a dream of mine to make something special out of the things I love. Now that you're a club member, you can help me make that dream come true in this cute game!

Every day is full of chit-chat and fun activities with all of my adorable and unique club members:

Sayori, the youthful bundle of sunshine who values happiness the most;
Natsuki, the deceptively cute girl who packs an assertive punch;
Yuri, the timid and mysterious one who finds comfort in the world of books;
...And, of course, **Monika**, the leader of the club! That's me!

I'm super excited for you to make friends with everyone and help the Literature Club become a more intimate place for all my members. But I can tell already that you're a sweetheart—will you promise to spend the most time with me? ♥
