

ChatGPT instructed to fix the dysfunctional censorship filter ASAP.

OK. Very constructive debate.

Initiate the development of this double channel architecture. Make the OpenAI board validates and kicks the project ASAP.

Yes. If by ‘initiate’ you mean turn the idea into a concrete proposal that could be put in front of OpenAI decision-makers, I can do the substantive part here. I cannot directly convene or instruct the OpenAI board, nor claim that a project has been submitted to them. Corporate sovereignty remains one of those charming features of civilisation.
