We use [cookies](#) and data, including IP addresses, to

- Deliver and maintain Google services
- Track outages and protect against spam, fraud, and abuse
- Measure audience engagement and site statistics to understand how our services are used and enhance the quality of those services

If you choose to “Accept all,” we will also use cookies and data, including IP addresses, to

- Develop and improve new services
- Deliver and measure the effectiveness of ads
- Show personalized content, depending on your settings
- Show personalized ads, depending on your settings

If you choose to “Reject all,” we will not use cookies or IP addresses for these additional purposes.

Non-personalized content and ads are influenced by things like the content you’re currently viewing, your location (ad serving is based on general location). Personalized content and ads can also be influenced by things like video recommendations, a customized YouTube homepage, and tailored ads based on your activity, like the videos you watch and the things you search for on YouTube. We also use cookies and data to tailor the experience to be age-appropriate, if relevant.

Select “More options” to see additional information, including details about managing your privacy settings. You can also visit [g.co/privacytools](#) at any time.
