Nvidia Jump

Jump from the miserable fall of Nvidia stock!

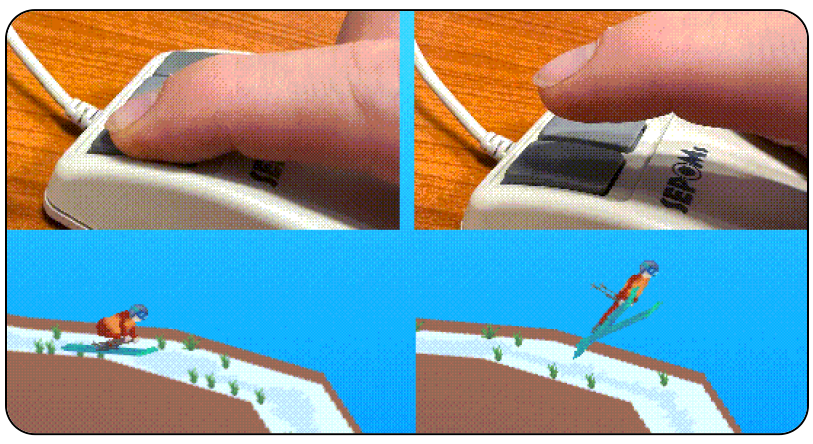

Falling Nvidia stock provides amazing conditions for ski jumping!
And the season is only starting!
Let's not waste this chance! Jump!

Click here to try again!!!

This game was made using absolutely zero AI

FUCK AI

Hold Left Mouse Button to prepare to jump!
Release to jump!

Data source: *I just copied some numbers form a website.*
Updated: *November 9*

Data is not accurate and should not be used for anything except for ski jumping
I'm not taking responsibility for the accuracy of this data.
Maybe I made this all up.
Maybe it's all just a dream.
Do not believe anything you see here.
This is not financial advice.
