Blade Runner in La Défense

You control your privacy

English

We and up to 1236 vendors process, store and/or access personal data from you and your device. This data can include your type of browser, settings, cookies, unique identifiers, IP address, and geo location. Your consent can be updated or withdrawn at any time by clicking the link in our privacy policy or footer.

We're requesting consent to offer: Personalised advertising and content, advertising and content measurement, audience research and services development

Advertising and content can be personalised based on your profile. Your activity on this service can be used to build or improve a profile about you for personalised advertising and content. Advertising and content performance can be measured. Reports can be generated based on your activity and those of others. Your activity on this service can help develop and improve products and services.

Advanced Settings

Upload an image

Simple and fast image sharing

Pasteboard is the best way to share your screenshots and images online.
It supports images of the formats JPEG, PNG, GIF, APNG and TIFF up to 5MB.

Features

Copy & Paste

Insert images directly from your clipboard.

Drag & Drop

Drag and drop files from your computer.

Mobile

Upload from your stored photos or capture a new one without leaving the website.

Webcam

Snap a picture using your webcam.

Cropping

Use the built-in tools to crop a portion of the image. The rest is never uploaded.

Anonymous

Decide who you share your images with. Uploads are never discoverable by
