
CSI:

We have a picture from the scene

This is a bit far away. Zoom in!

Enhance!

Looks like our murder weapon! Zoom in!

Keep on zooming

Thought so! A fingerprint!

I will scan it against our fingerprint database!

NO!!
KEEP ON ZOOMING!

Wait! Let's zoom in on it's cerebrum!

Suppose it's cerebral

That point of convergence looks promising. Let's zoom in!

Here we go...

I'll run a DNA test against our DNA database!

NO, KEEP ON ZOOMING AND ENHANCING!

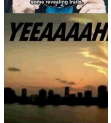

Lock on the nucleotide on the top of the range!

We start to see individual nucleotides...
Go for the final push!

Looks like we found our guy!

Send the guy's killer silhouette right through to him!

YEEAAAAH!
